

MATH/NUMBER AWARENESS

Classifying pictures: Each row has a common theme. Ask your child to discuss his observations about the pictures in each row and circle the one that does not belong with the other two.

SCHOOL SPARKS

Tip for parents: Let your child select his own clothes and then explain to you why he picked each item. Encourage him to articulate the identifying characteristics of each item that caught his attention.

Why keep the fun all to yourself? Please feel free to share this worksheet with friends.
