

Great opportunity to practice a kind of battle ships game. One side is your house with your family and the other side is your student's. Choose your family members and put them aside twice (one set for your house and one set for your student's house who will be placing them according to your answers to his/her questions). You take turns once you get a no as an answer.

Good questions to ask:

Is grandpa upstairs/downstairs? Yes, he is./No, he isn't.

Is he in the attic? Yes, he is./No, he isn't.

Enjoy and have fun.
