

The Psychologist's Game

How to play

Patient	Doctor
You will receive some problems you have been experiencing, tell your doctor your problems.	Listen to your patient's problems and try to solve the problems by giving some advice.

The more you play your part, the more fun you will have and the more you will learn. When you have finished, the patient will report to the class about how their doctor helped solve their problem.

<p>You think your partner is trying to kill you.</p> 	<p>You hear voices in your head.</p> 	<p>You cry every time you hear the music to 'Friends'.</p> 	<p>You think you are a dog.</p> 
<p>You think your partner is cheating on you.</p> 	<p>You are schizophrenic.</p> 	<p>You can't get over your last girlfriend.</p> 	<p>You can't stop eating chocolate.</p> 
<p>You are addicted to shopping.</p> 	<p>You wish you were a teenager again.</p> 	<p>You miss Michael Jackson.</p> 	<p>You have been abducted by aliens.</p>
